Chairman's Corner

November 2009

The first networking event of the season was well attended and beer and great food was thoroughly enjoyed by all! Our members were even invited to join in on a tour of Pyramid Brewery where they were able to see their facility and learn how beer is made. At least a few of our members, myself included, went home that night with a six pack or more of Pyramid beer. I hope that many of you were able to make some meaningful contacts that night.

Our next gathering will be on November 19th at Spenger's Fish Restaurant in Berkeley. This event's topic, "The Simple and the not so Simple – What to expect from the transition to ISO 9001:2008", will be presented by K. Dawn Plaskon and Arlene Kadrich. Dawn and Arlene will be discussing how two local businesses made the transition from ISO 9001:2000 to ISO 9001:2008. Please go to the link on our website to sign up.

Whether we realize it or not, the holidays are slowly creeping up on us. Due to the upcoming holidays, our section will not be hosting an event in December. We hope that all of our members have safe and happy holidays with their families and friends. Stay tuned to our newsletter and website for announcements regarding our January 2010 event!
